Licensed Contractor Guidelines

To provide the deck community at large with the best deck system and applications available, the installation contractor quality is a paramount. To assure applicator quality the following minimum criteria has been established. The contractor shall:

- 1) Provide A Full Time Work Force
- 2) Use Duradek Vinyl Deck Membranes Exclusively (regard to deck vinyl)
- 3) Be A State Licensed & Bonded Contractor In Good Standing
- 4) Be A Company In Business Two Or More Years*
- 5) Be A Company Versed In Deck Construction
- 6) Have A Business Focus of:
 - a) Roofing Contractor
 - b) General Contractor
 - c) Flooring Contractor
 - d) Deck Contractor Specialist
 - e) Waterproofing Contractor
 - f) Remodeling Contractor

Material Sales:

Duradek materials are discounted to Duradek Licensed Installers. All materials used in conjunction with Duradek shall be supplied by or approved for use by Duradek.

Training of Contractors:

Contractor training shall be provided to only those companies complying with the above and with a properly executed Duradek Agreement.

- * Certain criteria or markets may make this area less stringent (i.e.: company name business type changes, experienced company expansion in new market ECT. . . .)
